Neutral Reputation

Online Reputation

How favourably AI portrays your brand based on online sources - positive, negative or neutral.

ChatGPT

NEGATIVE 0 POSITIVE

-10 0 +10

Insufficient public data to assess broad public perception of frtservices.com. The domain shows a minimal digital footprint with limited third-party references, reviews, or media coverage explicitly tied to this exact site or its registered company name. Public sentiment is unclear due to scarce verified mentions across review platforms and industry directories. Overall visibility appears low, with no substantial user-generated feedback or press shaping reputation.

Gemini

NEGATIVE 7 POSITIVE

-10 0 +10

Financial Recovery Technologies (FRT), operating via frtservices.com, maintains a positive online public perception, particularly within its specialized financial services sector. The company, which provides class action settlement and compliance solutions for institutional investors, demonstrates high client satisfaction, with 96% reporting satisfaction and a Net Promoter Score of +76. FRT has garnered industry recognition, including being named a "50 Fastest Growing Tech Company" in 2017 and establishing partnerships with prominent financial institutions like State Street. Employee reviews also reflect a favorable workplace culture, with 94% considering it a great place to work.

Perplexity

NEGATIVE 0 POSITIVE

-10 0 +10

Insufficient public data on https://frtservices.com (Financial Recovery Technologies). Limited credible sources reference the exact domain or company, with self-published recognitions and neutral BBB profile, but no substantial third-party reviews, customer feedback, or high-volume mentions available.

Grok

NEGATIVE 3 POSITIVE

-10 0 +10

Limited public customer feedback available; no profiles on Trustpilot, Yelp, or Google Reviews. Employee reviews on Glassdoor average 6/5 (63 ratings), reflecting moderate satisfaction with culture but mixed on compensation and management. Indeed features 5 reviews noting positive coworkers but low pay. Not BBB accredited, no complaints; positive B2B press and site trust score 100/100.[] (https://www.bbb.org/us/ma/medford/profile/computer-software/financial-recovery-technologies-lic-0021-
